Re: Serial Number 10/761,621

Dear Mr. Vy:

Attached is a copy of our response amendment we submitted on July 5, 2005 to the PTO. The amendment is a response to your Office Action dated April 5, 2005.

As you can see I inadvertently enter the incorrect serial number on each piece of paper that required the number.

I entered 10/761,121 when I should have entered 10/761,621.

I have discussed this with your supervisor Don Wong (because you were out) and he believes you should be able to except our filing and the filing date by making the correction to the copy on your end and resubmitting it for us.

Please confirm our response will be entered.

Best regards,

Michelle R. Crosby for William E. Winters
